

2025 EXPENSES

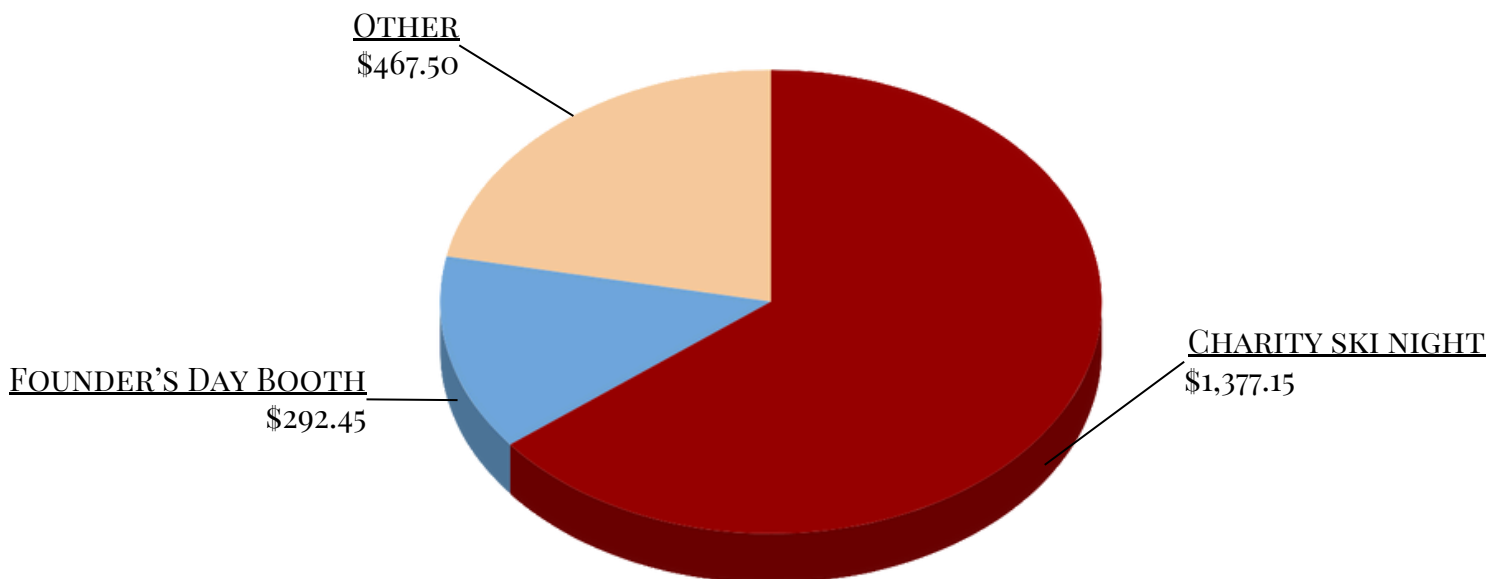

Nonprofit Admin Costs: These expenses covered our website renewal fees and business renewal registration costs to continue making your donations tax-exempt.

Marketing/Fundraising: This category covers items purchased for fundraising events. These expenses will be utilized in the future to help give back to the community. We are committed to making sure every dollar spent in this category will result in a 200% return.

This year, our expenses were lower due to saving up for the implementation of solar power during our 2026 volunteer trip!

2025 DONATIONS

TOTAL: \$2,137.10
